WORLD CHANGERS BIBLE READING GUIDES

SERIES TWO

Welcome to the World Changers Bible Reading Guides. This is a unique set of reading guides combining some of the core truths of the Bible, as well as some practical discipleship topics. The reading guides will help YOU become a world-changing disciple for Jesus.

There are 28 biblical topics that form the main teachings of scripture. These become the foundations in preparation for **baptism**.

Additionally, there are 30 reading guides that provide a framework for Christian **discipleship** and lifestyle. These topics will help you apply and live out the principles in your discipleship calling.

As it says in Psalm 119:105, “Your Word is a lamp to my feet and a light to my path.” Our prayer is that as you read the Bible with your friends, you will enjoy getting to know Jesus better. He loves you and your friends, and you will be inspired as you grow in your faith and help your friends get to know Him better.

EACH WORLD CHANGERS STUDY TOPIC HAS FOUR PARTS

1. The number and title of the Bible reading and a brief introduction of the topic you will read about.
2. **Key Scripture:** The story you will read together and a brief overview of the passage, to start your discussions and exploration of the Word.
3. **Additional Scripture:** Some supporting stories and texts that will help to strengthen the key story.
4. **Questions to Consider:** These discussion questions will promote thinking and reflection on the stories you have read together. They will also encourage spiritual growth and encourage you to share your ideas with other friends.

HELPFUL WORLD-CHANGING TIPS:

- Always start and end with a simple prayer asking for God to guide you as you read together. You can follow the Discovery Bible Reading format if you're familiar with that resource. <http://discipleship.adventistchurch.com/resources/discovery-bible-reading/>
- You don't have to read all of the additional texts; they are there if you want to dig deeper. Stick to an agreed time frame of around one hour.
- Your World Changer Bible has a powerful insert at the front with some excellent information on how to read the Bible, pray and share your faith with friends.
- Make sure you have completed the World Changers training when you received your Bible. You will find it very helpful.
- Take notes of what you are learning so you're better prepared for the next Bible reading with your group. There may be questions that need some research during the week. Use the last few pages of the World Changers Reading Guide.
- The World Changers Bible project training video series are available online. These training videos are designed to be use with the World Changers Bible insert. They correspond to each topic. Feel free to download them and use them at your church, school, life group or with your friends. You will find the videos on the World Changers Facebook group or at the following web-based sources:

The World Changer Bible Reading Guides are like diamond mines that will reveal the treasures hidden in the pages of God's Word. So enjoy the life-changing journey of becoming a World Changer. You really will change the world one person at a time.

#1 THE HOLY SCRIPTURES

Have you ever had to move around in the dark without a torch? It's slow going and you bump into things. Many people today are stumbling through life, not sure where they are going and not sure how they are going to get where they want to be. The Bible is sometimes called the *Holy Scriptures* or the *Word of God*. It's actually a collection of 66 individual books or letters written by 35 different people from all kinds of different backgrounds over a period of about 1600 years. It is divided into two main sections; the Old Testament, which contains 39 books, and the New Testament, which contains the remaining 27 books. The Bible has been written as a guide for your life.

#2 LIFE, DEATH & RESURRECTION OF CHRIST — WHO IS JESUS?

When Adam and Eve sinned in the Garden of Eden something went missing: our perfect relationship with God. Since that day, humanity's sinful nature has been unable to do anything about repairing our relationship with God. So, God came looking for us, He devised a way of finding and bringing us back from being lost. It cost Him everything. He took responsibility by dying on the cross in the form of His Son, Jesus. However, in dying as a sinless sacrifice, Jesus won the greatest victory. Three days later, He rose from the grave and will live through all eternity as our High Priest and best friend.

#3 THE EXPERIENCE OF SALVATION

Ever been caught short? Not enough money to make a purchase? Not enough time on the clock to win? Not enough knowledge to work out the problem? Not enough patience to wait for an outcome? Not enough strength to qualify? Not enough room to fit? Not enough height to reach? When it comes to being eligible for heaven, on your own, we come up way too short. God knew that would be the case. We would never be able to save ourselves, so He gave us Jesus to make up the shortfall, to bridge the gap between Him and us.

#4 GROWING IN CHRIST

It is hard to have a healthy vegetable garden if you are short on good soil or you don't have enough water or ample sunshine. These things are essential for a garden to flourish. In order to grow and develop as a Christian, there are certain 'nutrients' needed. These nutrients are in abundant supply if we know where to look for them; if we use them wisely, they will enable us to grow into healthy strong followers of God.

#5 BEING A DISCIPLE

We all look up to someone: our parents, mentors and other people who inspire us. We often take on board their ideas, habits and ways of thinking. Jesus inspired a group of His friends who He called His disciples. Disciples are protégés; learners or apprentices to Jesus who multiply disciples by following Jesus' methods, cultivating His movement, preparing people for His coming. A disciple is a person who in every way is becoming more like Jesus!

What is new and interesting? 2. What don't you understand? 3. What could you do to become more like Jesus? 4. What will you share with someone this week?

#6 GROWING DEEPER IN FAITH

Growing up is great when you're a child, wondering what it will be like being an adult. It takes time and at each step, we learn new things about life and about ourselves. Growing as a Christian is also important. As we learn more about the Bible and the Mission of God, we begin to realise that we can also play a part in building God's Kingdom. Jesus has plans for your life and your greatest joy will be found in living out His plans for you.

What is new and interesting? 2. What don't you understand? 3. Do you want to grow deeper in faith with Jesus? 4. What will you share with someone this week?

#7 GOD'S STORY

God also has a story and it comes with a gift. He loved the world so much He gave His only Son so that everyone who believes in Him will live for all eternity. Now there's a story worth telling. What God is offering is a chance of a lifetime, for all humanity to be reconciled to Him through Jesus. You will never hear a better story than that!

KEY SCRIPTURE MARK 16:1-20 JESUS RESURRECTED

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER
Isaiah 53:1-12 The suffering Saviour John 3:13-18 God loved the world Philippians 2:5-11 Jesus' life, death and glory Hebrews 4:15 Jesus is tempted in every way Isaiah 41:10 I will uphold you	<ol style="list-style-type: none"> 1. #8 TELL OTHERS ABOUT YOUR STORY

We all love good stories. Stories are how history has been preserved for generations. Everyone has a story to tell; some stories are sad others are happy. We all have our own story to tell and our story can be a powerful testimony of how God has been good to us. When we meet Jesus, He changes our story from defeat and brokenness to healing and victory. Jesus came to offer us a changed life and when we meet Him, amazing things happen. What is your story?

KEY SCRIPTURE MARK 5:1-20 JESUS RESTORES A DEMON-POSSESSED MAN

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER
Matthew 8:1-4 Jesus heals a man with leprosy Luke 21:12-15 God will give you words to say John 4:28-30, 39-42 The woman of Samaria Mark 5:1-20 Demon-possessed man's testimony	<ol style="list-style-type: none"> 1. #9 GOD THE FATHER

Origami is the Japanese art of folding paper. Let's say you are in an Origami class and the teacher brings in a crisply folded paper boat complete with sails and a flag—it really looks like you could take a ride in it! You try to replicate the same boat. If you end up with something that vaguely resembles a boat, you're brilliant. Unless you go through the step-by-step process and listen carefully to the experts, you have little hope of success. Being a father can be like that. There are models and instructions on how best to do it, but many ignore the advice, some don't even try, while others make a good go of it. What is a good father? The Bible talks about the absolute model father, someone worth copying!

KEY SCRIPTURE LUKE 15:11-32 THE PRODIGAL SON

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER
John 3:16-17 God gave His Son John 14:8-11 Jesus reveals the Father John 17:1-5 Eternal life through the Father 1 Timothy 6:13-16 God gives light to all	<ol style="list-style-type: none"> 1. What is new and interesting? 2. What don't you understand? 3. In what ways have you seen God as a loving father figure in your life? 4. What will you share with someone this week?

#10 JESUS THE SON

Have you ever been asked to give 100%? Sometimes you hear people say, "I gave it 110%." The truth is, we can't give 100%. We can only give it our best shot. We can give until it hurts, but we can't really give 110%. Jesus is different. He didn't give 100%, even 110%, Jesus gave 200%! Jesus gave 100% as a human being and 100% as God. Only He could do that. We cannot really understand why. All we can do is accept that He did, and thank Him for it.

KEY SCRIPTURE JOHN 1:1-18 JESUS WAS AT THE CREATION

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER
Colossians 1:15-23 With His authority, all things were created through Him Philippians 2:5-11 He humbled Himself by being obedient to death and dying for our sins John 14:1-3 Jesus promises us that He will not abandon us	<ol style="list-style-type: none"> 1. What is new and interesting? 2. What don't you understand? 3. How should we respond to Jesus' life, death, resurrection and His promise to come back? 4. What will you share with someone this week?

#11 GOD THE HOLY SPIRIT

You can't see the wind, but you can see its effects—the leaves of the trees move, the clouds float by, the waves of the sea continue to roll in. You can't see electricity, but you can see its effects—the light illuminates, the stove becomes hot, the car starts. Likewise, you can't see the Holy Spirit, but you can see His effects—a heart is softened, a temper subdued, a life transformed. The Holy Spirit isn't something that has just popped up recently. He's been around as long as God the Father and Jesus. He had His part to play in the creation.

KEY SCRIPTURE ACTS 2:1-17 THE DAY OF THE PENTECOST ALL THE DISCIPLES WERE TOGETHER IN ONE PLACE

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER

What is new and interesting?2. What don't you understand?3. What do you think the main role of the Holy Spirit is?4. What will you share with someone this week?

#12 TRANSFORMED BY THE SPIRIT

Do you like fruit? A good mango is hard to beat. Jesus also talked about us being like grapes connected to the vine. Paul talked about the fruit of the Spirit. Love, joy, peace, patience and more. When we allow God to live in us, we will bear good fruit in our lives. The fruit we receive from God will help us to be a blessing to others as we reveal the character of God in our lives. Why not enjoy God's fruit now?

KEY SCRIPTURE GALATIANS 5:13-26 FRUIT OF THE SPIRIT

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER

What is new and interesting?2. What don't you understand?3. What are some spiritual fruit you would like to have in your life?4. What will you share with someone this week?

#13 THE TRINITY

A triangle has three sides and three angles. These characteristics help define the shape. If we take away one angle or one side, it will no longer be a triangle. God is also made up of three different sides—God the Father, God the Son, and God the Holy Spirit. Like the triangular shape, all three sides of God play an important role in being God. The Bible clearly reveals to us who each of them are, and how they work together as One.

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER
<p>Matthew 28:18-20 Father, Son and Holy Spirit endorse baptism</p> <p>John 14:15-21, 26 Spirit sent a helper to teach who the Godhead is</p> <p>Ephesians 4:3-6 Unity in the Godhead</p> <p>1 Peter 1:1-2 Chosen by Father, Son and Spirit</p>	<ol style="list-style-type: none"> 1. What is new and interesting? 2. What don't you understand? 3. How do you think the Godhead is like a family? 4. What will you share with someone this week?

#14 CREATION

It is easy to tell if someone has walked along the beach, they leave footprints in the sand. It is easy to tell if the wind has been blowing, there are leaves everywhere. It is easy to tell if it has been raining, it is wet on the concrete. God does not reveal Himself to us through our senses. We cannot see, hear or touch Him, but we do know that He exists because we can clearly see the evidence by looking at the world around us. He has left clear footprints for us to see and follow.

KEY SCRIPTURE GENESIS 1:1-2:4 GOD CREATED THE WORLD

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER
<p>Psalms 8:1-9 The heavens above us testify to God</p> <p>Exodus 20:8-11 He created everything in six days and rested on the Sabbath</p> <p>Hebrews 11:1-3 Faith is believing what we do not see</p> <p>Isaiah 45:12,18 God stretched out the heavens</p>	<ol style="list-style-type: none"> 1. What is new and interesting? 2. What don't you understand? 3. God created everything, and everything belongs to Him. Where do we see God in nature? 4. What will you share with someone this week?

#15 THE GREAT CONTROVERSY

Big Heinz was a fighter who escaped to Australia from East Germany many years ago. Not long after he arrived, word got out that he could box. The then Australian boxing champion was looking for a sparring partner leading up to his world title fight—someone he could practice on. Heinz was commissioned. The Australian climbed through the ropes and began to dance around the ring swinging this way and that, jabbing, ducking and weaving, gloves at the ready. Heinz stood calmly in the middle and looked on, hands by his side. The bell sounded. Heinz took a step forward, fired off a right uppercut—and the Australian was out cold. It was all over. That's how it will all end—Jesus is going to knock-out the devil.

KEY SCRIPTURE JOB 1:1-2:10 JOB LIVED A RIGHTEOUS, BLAMELESS LIFE

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER
<p>Genesis 3:1-8 Fall of humanity</p> <p>Isaiah 14:12-14 Lucifer became proud and challenged God</p> <p>Rev 12:7-12 The original fight in heaven between Lucifer (Satan) and God</p> <p>John 12:27-33 The world will be judged</p> <p>Ezekiel 28:13-17 Guardian cherub became wicked</p>	<ol style="list-style-type: none"> 1. What is new and interesting? 2. What don't you understand? 3. How do you think you are involved in the battle between God and Satan? 4. What will you share with someone this week?

#16 THE NATURE OF HUMANITY

There is no doubt that we are born with evil tendencies. Why is it you feel like running over the person who cuts you off in traffic? Or pushing the person who jumps the queue at the shops? Or punching the big mouth at school? Or hoping the arrogant shopper gets a flat tyre while leaving the car park? Being nasty and immoral seems to come naturally.

KEY SCRIPTURE JOHN 3:1-21 YOU MUST BE BORN AGAIN

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER
<p>Genesis 1:26-28 God gave Adam and Eve the power of choice</p> <p>Genesis 3:1-8 Adam and Eve fell from their noble position and death was the result</p> <p>2 Corinthians 5:19 Although we sinned, God reconciles us to Himself in Christ</p> <p>Romans 6:17-23 Set free from sin through God's gift</p>	<ol style="list-style-type: none"> 1. What is new and interesting? 2. What don't you understand? 3. Would you like God to renew this world and your heart with His Spirit? 4. What will you share with someone this week?

#17 THE NEW EARTH

How can people all over the world talk, share pictures, videos and other information through Facebook at the same time? How does a TV pluck pictures out of the air? How can you turn on a radio and hear a band in another country playing in a live concert? How does the internet work?

All these are recent creations, and most of us have little clue how and why they work, we just know they do, and that is enough. The Bible says that God created the heavens and the earth in six days, how did He do that? Unfortunately, we all missed creation the first time, but, we have an invitation to be around when He does it the second time!

2. What don't you understand?
3. Do you want to spend eternity with God and His family?
4. What will you share with someone this week?

#18 THE CHURCH

What is it that defines a family? Is it a street address? Is it because they go on holiday together? Share the same bathtub? It's not really any of these; the thing that really defines a family is the people in it! A family is made up of people. The church is the same. The church isn't so much about timber, bricks and mortar, it's about people, it's about a community. God has always had a group of people called His church because it's His way of letting people know He exists and cares for people of every age.

QUESTIONS TO CONSIDER

1. What is new and interesting?
2. What don't you understand?

4. What will you share with someone this week?

#19 YOU ARE A MINISTER

If you've ever built a house, you know it's very rewarding. It's even better if a great family lives there. Jesus is building a spiritual house, a living temple made of spiritual people. You might never have thought of yourself as a holy person or a priest, but Jesus said we are all part of a royal priesthood. As part of God's holy nation, Christians have a special role to play in helping others become who God made them to be.

KEY SCRIPTURE 1 PETER 2:1-12 A ROYAL PRIESTHOOD

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER

#20 THE REMNANT AND ITS MISSION

Have you ever played the game *Truth or Lie*? In this game, each player is invited to share three statements about themselves, two are lies and one will be true. The hearers must decide which statement is true and which two are false. It can be difficult picking out the true statement if you do not know the person very well. However, if you are good friends, it is easier to spot the fake statements, and if you are family, that is a clear advantage.

KEY SCRIPTURE MATTHEW 25:1-13 WE HAVE TO BE PRESENT-MINDED

ADDITIONAL SCRIPTURE	QUESTIONS TO CONSIDER
<p>2 Peter 3:4-14 God loves us dearly and wants all of us to be saved</p> <p>1 Peter 1:16-20 God promises us the gift of everlasting life</p> <p>Revelation 12:17 These people are the continuation of God's people from times past</p> <p>Revelation 18:1-4 Babylon in the Bible is considered a symbol of evil</p>	<ol style="list-style-type: none"> 1. #21 DISCIPLE MAKING—EVERYONE’S CALLING

The Great Commission is one of the core statements of Jesus in regard to the role of His disciples. They were to GO and MAKE other disciples. After only three and a half years, Jesus had trained and equipped His core believers with a clear direction and mandate for their lives. As they followed the leading of the Spirit, they turned the world upside down. Are you ready to step into the future as a disciple of Jesus today?

KEY SCRIPTURE MATTHEW 28:16-20 COMMISSIONING THE DISCIPLES

Any farmer knows how to work with the soil, weather, seed stock and seasons in getting the most out of his or her land, time and resources. Sharing food together is an enjoyable part of life, especially when you're with friends. Jesus sent His disciples out to meet more people who were ready to hear the Word. He even told them to eat with friends along the way and offer healing and help where they could. He called these friends *Persons of Peace*. #24 LEARNING TO PRAY

Mobile phones were an amazing invention. It's hard to remember what life was like without them. Within coverage, your mobile connects you to anyone anywhere at any time. Prayer is a bit like that too. God is always ready to listen to your prayers and He will often respond in one of several ways. God speaks through His Word, by promptings, burdens, advice from friends at the perfect timing and even sometimes directly as He did with the early apostles. Prayer has the power to change your life as you begin to connect with your Heavenly Father. So start talking to Him now.

#25 WHEN GOD ANSWERS, “WAIT”

We all like instant results. That's why Google is the top internet site in many parts of the world. It can be frustrating when we don't get answers immediately. With God, it's a bit different. He knows that some things we ask for are not for our best and if we got what we asked for, it would be to our detriment. That's why He sometimes says “Wait a while,” or a simple “No.” Remember—He knows us best.

There's a temptation for everyone, food, fame, money just to name a few. As one person said, “I can resist anything except temptation.” In the Bible, temptation relates to various kinds of transgressions. Breaking God's law is one form of temptation, following our natural will against God can also be a temptation. There is only one way to overcome temptation, that's through the power of God in your life. God will equip you to overcome any temptation if you let Him.

#28 BAPTISM

Open a bank account. Seek approval for a credit card. Apply for a passport. Make an application for a driver's license. Plan to get married. In all these, you will need to produce one important piece of information. Proof of your age. That is where a Birth Certificate comes in handy. It will tell you when you were born, where you were born and who you were born to. None of us can remember the events surrounding our natural birth, but it is a very important date because it marks our entry into the world and into a family. Baptism is like that, but it is a second birth. It too marks our official entry into a family—the family of God.

#29 THE LORD'S SUPPER

Signs and symbols grab our attention; they are used to promote a product, to remind us of a want or a need. Signs and symbols can remind us of an event or inform us of an impending one. Some just warrant a casual glance, others demand closer attention. When a sign or symbol is coupled with an action, it can become a powerful teaching tool. The Bible contains many signs and symbols. Jesus was constantly using them to illustrate a point and teach a lesson. The night before Jesus died on the cross, He used signs and symbols in an act that would clearly teach His disciples what God's love really means.

#30 THE LAW OF GOD

A game of volleyball, basketball or football without rules is not really a game worth playing. Imagine trying to play without rules where everyone can play as they please, the result would be chaos. God realised that a world without rules would be a world of chaos. God knew a life lived without rules would be a life of chaos. God gave us His commandments as a safeguard to ensure that we have the best opportunity to live happy and fulfilled lives.

#31 THE SABBATH

If your birthday happens to fall on the 10th of July, you can celebrate it on the 9th or on the 14th, if you like. You can invite your friends over, have the music blaring, cake, balloons, streamers, fireworks and presents—but it will never really be a true birthday celebration unless you do it all on your birthday. God created the world in six days and then He decided to create an extra day, the seventh day. God set it aside as special and totally different from the other days; He called it a day of rest. Ever since, He's set aside the seventh day of every week as His special day to spend with us.

Life can be painful. Things don't always go the way we want them to. Bad things happen to good people without any real reason. Believing in God won't miraculously turn all your troubles into joy, but what God does offer is to stand with you through the trials and pain. Entertainers say the "crowd" is fickle, they love you one minute, and they hate you the next. When you stand up for Jesus, you might also find some people won't like you. When a battery finally dies and goes flat, you can rub it, shake it, paint it, kick it, yell at it and cry over it. But once you've done all that, it'll still stay dead, because it's finished, expired, done, kaput! Many people in the world today believe, if they are lucky, they will get around 70 years to live their lives and then after that, they will die, all finished, expired, done, kaput! You cannot have a shadow unless you have some light; the brighter the light, the better the shadow. Sometimes it is difficult to tell what the object really looks like just by looking in its shadow, but usually, it will give you a fair idea. The more detailed the shadow, the more clues as to the real object. When the lights are turned off, the shadows disappear, and we are faced with an added problem—stumbling around in the dark.

Today, we find all sorts of reasons and dates to give and receive gifts; Mother's Day, Father's Day, Easter, Valentine's Day, Christmas, the list goes on. #48 PRAY FOR HEALING

In prayer, we are calling on God. Prayer is very powerful. When we pray in faith, we can release God's power, not only in our lives but in the lives of those who need help in sickness. Be quiet before Him: ask God to help in times of trouble. Tell Him our needs, thank Him, ask His guidance and He will listen and act in ways you may never have seen before. Prayer is one of the great privileges of believers and is a key in our hands to unlock the storehouse of heaven.

#49 STEWARDSHIP

Unfortunately, today people use rakes more than they use brooms. Think about it: people are obsessed with gathering and hoarding stuff. We can call them 'Rakers' because they go around madly gathering up piles of possessions and then stand proudly at the top of the pile. A broom is best used to push things away. A 'Broomer' is someone who, rather than collecting things just for themselves, is happy to put what they have in the direction of others. We need to be careful we don't get too busy making a living that we fail to make a life!

#50 GOD OWNS EVERYTHING

Nations rise and nations fall. There are continual power struggles over national boundaries and resources, as governments manage their countries. Few people realise that ultimately God owns the earth and all that is in it. Our work, as good and faithful stewards, is to look after what He has created and bless our fellow men and women with what the Lord has given us. The Lord gives us what we need and we are to give to others where we can, to help them in their need. That's actually our job!

#51 GOD PROVIDES

Ancient shepherds knew their sheep by name, and when they called, the sheep followed because they trusted their shepherd. Shepherds defended their sheep, even at the risk of their lives. God's love is even deeper than that. He died for us and He now lives to lead and guide us individually. There is no one who will take better care of you than our Heavenly Shepherd. You can trust God as He is always beside you, even when things don't work out the way you think they should.

God gave us these gifts and how we choose to use these gifts is really important. We can invest our gifts and talents wisely or we can waste them in selfish pursuits that lead us nowhere. WORLD CHANGERS

BIBLE READING GUIDES

These reading guides will change your world!

Jesus was and is the ultimate world-changer. During His life on earth, He connected with His Father in heaven daily, and followed the Spirit's leading to impact the people within His circle of influence, one meeting at a time. Jesus' entire life was devoted to changing the world as we know it. His life, death and resurrection created the greatest change this world has ever seen. The Series Two Bible Reading Guides were developed specifically for young adults within the Seventh-day Adventist Church in the South Pacific Division between the ages of 15-35 years. It was developed out of a dream to equip a generation of young adults with the tools they need, so that they may go out into their world and share Jesus with those in their community. The reading guides cover many of the core truths and discipleship principles in the Bible. We invite you to begin the

adventure of being a world-changer.

Philippians 4:13 states, "I can do all things through Christ who strengthens me." Remember that in order to be a world-changer like Jesus you need to spend time alone with God, become familiar with God's Word and learn to listen to God's voice. As the stories in these World Changers Bible Reading Guides become more real to you, share your discoveries about Jesus with others. Talk about Jesus and what He is doing in your life; the more you share these moments with people, the easier it will be to talk about Him. So enjoy the journey of becoming a world-changer within the space God has placed you. It is our prayer that you will use your World Changers Bible Reading Guides to make a difference in people's lives. The South Pacific Division Discipleship Ministries team are excited to partner with you on this journey. We will be praying for you as you step out in faith. Go. Become a world-changer!
