NEW YEAR

With a New Year comes new opportunities! Resolutions. Have you already established or renewed your decisions or purposes for this year? Do those purposes include God and your relationship with Him? Maybe you've resolved to get into a habit of waking up early each morning to spend time with Him? Or you're seriously planning to enrich your personal devotional time this year by seeking Him faithfully, developing the habit of praying regularly, and studying your Bible? Perhaps you've resolved as a family to get into the habit of having daily worship together?

Now is a great time to reaffirm your commitment to keeping the Sabbath, to dedicate this day not to simply just rest, but to the rest of the soul? Maybe you've resolved to attend church and Sabbath School on Sabbath, or to be more intentional about focusing on God, trusting that He will provide for your needs?

Have you thought about establishing or renewing your purpose to put God first and to learn to trust in Him as the Provider and Sustainer by tithing and by giving offerings? Have you already decided to set both apart, tithe and offering, immediately after any income or increase, and from all your income or increase?

04
JAN

Appeal

As we worship Him this morning, take a moment to prayerfully reflect and ask God to help you establish or renew a decision to put Him first in every aspect of your life.

Prayer

Dear God, please accept and bless the decisions that we are making in Your presence, as we worship You with Your tithes and offerings!

MIRACLES

Fleeing from Cuba, the violinist Jaime Jorge was only 10 years old when he arrived with his family and without his violin in Miami, Florida, United States, in 1980. Struggling hard to survive, miracles started to happen when his parents decided to move with the family to Milwaukee, Wisconsin, arriving during the worst winter in 80 years. Owning nothing, the family received strong support from the church members and neighbours, and finally Jaime's mother was able to acquire for him a violin for his practices! As they couldn't afford to buy sheet music, his mother also purchased an old turntable and a vinyl disc of a Beethoven violin concert. "You must hear and rehearse it," she told Jaime.

While applying for a scholarship for the Milwaukee Conservatory, Jaime rehearsed that specific music many times! During the test, when a professor was wondering how a boy was able to play that kind of music, Jaime told him about his family's struggles, the turntable, and why that was his only music. The professor, who had arrived from Europe just three months before, asked who the performer on the disc was. When Jaime answered, the professor said: "I could immediately recognise him by the way you are playing. He was my professor there!" And Jaime Jorge got the scholarship!

God coordinated the time the Jorge family arrived in the United States with the time that Jaime's professor arrived from Europe. The Lord also led the Jorge family to that specific city, and provided for their basic needs during the winter. He provided the violin, the turntable, the right vinyl disc, the conservatory, and the connection with that specific professor and scholarship as well!

Jaime Jorge became a well-known Adventist violin performer, using his musical gifts to preach and minister to people around the world.

Appeal

As you put your tithes and offerings into the offering plate, close your eyes and worship Him who has a plan for your life and is fully able to provide for you according to your needs.

Prayer

Dear heavenly Father, please accept our worship and help us to trust in Your power to provide not only for our daily needs but also for our special ones, according to Your plans for our good. Amen.

School Evangelism

18
JAN

Appeal

Please give generously to Education Evangelism, where our Schools can focus on reaching lost, broken and struggling students and introduce them to the saving grace of Jesus Christ.

Prayer

Lord of heaven and earth, please bless the offering today. May it be used to evangelise Sydney and beyond, in Jesus name. Amen.

The church in the Greater Sydney region in 2020 is challenged with one great commission—that of carrying the gospel message to all of Sydney in the shortest possible time. The church has no other task. Our Adventist Schools in Sydney have the best resources available, with passionate staff to teach, mentor and inspire students. Education and evangelism are crucial to the life of our Schools—the two tasks are inseparable. If one is neglected, the other suffers; if either one is neglected, the church suffers.

As God's people in Sydney, it's our responsibility to encourage our Schools to be evangelistic in every sense of the word. God has given us much more than we ever deserve. We have more resources than any other time in earth's history.

One of the challenges many families face is the cost of private education. I know of many families who miss out on an annual holiday overseas or interstate—so their children can be mentored, inspired and challenged to be the best they can be—within an Adventist setting.

South Pacific Division Strategy: Discipleship of Christian Services for the Blind and Hearing Impaired

So what does CSFBHI actually do? For those who love to “read” it provides denominational audio books and the weekly Sabbath School lessons. To access this free service, a person must be certified as unable to read by a medical professional. Many in this group are in nursing homes, but not all.

Its work for the Deaf is largely in providing assistance—sponsoring interpreters for church services, the New Hope church plant in western Sydney, for example, which is livestreamed Sabbath mornings and replayed on Hope Channel. It also sponsors the guest speaker to the annual Deaf Camp, run by Logan Reserve church (Qld). Last November CSFBHI supplied interpreters for General Conference president Ted Wilson’s Wairoona Sabbath service, which was live-streamed.

The Deaf are the Church’s largest unreached people group or “tongue”, as the Bible puts it. Very few are Christian, let alone Adventist. And of those who might be, they fellowship in signed Sunday churches that cater for them, where there are others who “speak” their language.

“IT’S ABOUT THE INCLUSION OF ALL IN CHURCH ACTIVITIES AND WORSHIP; FOR ALL ARE GIFTED, ALL ARE NEEDED, ALL ARE TREASURED.”

Someone once said to me that one day we will all be special needs people, referring to ageing, I think. But in the meantime we need to be mindful that in God’s eyes, as a result of sin, we are all broken in some way. And viewed in that way, yes, we all do have a “disability problem”. It’s just a matter of degree. We all are broken and are in need of wholeness. Only at home in heaven, when, having been changed in a moment from mortal to immortal, will we become whole.

With 27 of the 35 recorded miracles of Jesus relating to healing someone with a special need, the focus of a special needs ministry and witness is evident. So this Sabbath, in your giving, follow the example of Christ and give generously, and help CSFBHI help some of the millions living with disability.

JUDEA, SAMARIA AND BEYOND

01
FEB

Appeal

As we put our offerings together today, let us pray that “many peoples, nations, tongues, and kings” may learn to worship God as the Creator.

Prayer

Dear Lord, let us ourselves be prepared for the day of Your coming, and by our tithes and offerings be able to invite others as well! Amen.

One of the last things that Jesus spoke about before he ascended to heaven was the importance of mission, “But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.” (Acts 1:8 NIV) By declaring that mission extends far beyond our own cities but throughout the world Jesus was charging us to have a global impact. But a global impact needs significant resources.

Not only does our mission focus extend beyond our own walls but our offering must reach far more than the limited range of our local church or neighbourhood. By bringing our offerings and by gathering them together in the “storehouse,” we will be able to plan more effectively to do far more for others, and to go farther and faster. And according to the Bible and the Spirit of Prophecy, this is God’s plan for our regular and systematic offerings.

Local Church

WHY AM I BRINGING MY OFFERING?

David wrote about our tithes and offerings as an act of worship in the Psalms: “I will go into Your house with burnt offerings; I will pay You my vows” (Ps. 66:13)

According to the Bible, tithe is returned to God as an act of worship, God is the true recipient, and it's to be returned to Him through the 'storehouse'. In the Seventh-day Adventist Church, the local church stands as an outpost of the storehouse, which is the conference. And God has the capacity to determine how the tithe should be used: to be equally distributed (2 Chron. 31:14-21) to support the authorised gospel ministry worldwide (Num. 18:21; Matt. 28:19, 20; Rev. 14:6).

Tithes and offerings are not to be considered as rewards, leverage, or punishment tools for a leader's behaviour, but as a way to worship God for His many blessings and is an act of obedience to his commands.

Appeal

Tithes and offerings are an opportunity to honour God and his faithfulness. They are an act of worship from a humble and meek heart. Let us ask the Lord to give us the right motivation, as we worship Him this morning.

Prayer

Dear Lord, thank You for giving us the privilege to worship You today, as we humbly bring our tithes and offerings to You and into Your house. Amen!

Disaster & Famine Relief

Administered by Union

“Learn to do right; seek justice. Defend the oppressed. Take up the cause of the fatherless; plead the case of the widow.”
Isaiah 1:17 (NIV)

We hear disasters beyond our control being referred to as “Acts of God”, and it often makes us feel distant to the problem and hopeless that anything can change. Every year, these disasters, leave thousands of children, women and men stranded.

They often need safe shelter, enough food to eat, clean drinking water, physical safety and the ability to rebuild their lives. And they can’t do this without our help.

Today, by supporting this Disaster and Famine Relief Offering, you will enable ADRA to respond to disasters as soon as they happen. In Australia, your offering will help deliver emergency accommodation and crisis assistance to people in need, while overseas it will help provide food, shelter, medical help and other basic needs to those affected.

15
FEB

Appeal

Your gift today will also help communities in Australia and around the world prepare for disasters to prevent lives and livelihoods from being lost.

Prayer

Thank you Lord for being a God of grace and mercy. Please open our hearts today to those who need hope in times of distress. Bless and multiply our offerings so that others can feel the comfort of your love when facing uncertain times. We pray in Jesus’ name. Amen.

THE RIGHT INVESTMENT

“And Moses took the bones of Joseph with him, for he had placed the children of Israel under solemn oath, saying, ‘God will surely visit you, and you shall carry up my bones from here with you’” (Exod. 13:19).

What do Joseph’s bones teach us? Almost spoiled by the love of his father, Joseph was highly favoured above his brothers and wore the finest clothes his father could get. He lived an easy life until because of the jealousy of his brothers was taken far from his home, suddenly left with nothing but his life and health.

But instead of feeling discouraged, Joseph decided to make a commitment to put God first in all things. And his resolve was not shaken even after he was unjustly sent to prison. But from there, the Lord brought him directly to the second-highest position in the most powerful country in the then-known world. All the comforts of life were again available to him.

When Satan is not able to knock us down with trials, he often is more successful by offering sophistication and ease. Would Joseph’s character thrive under this new ensnaring trial? Would he keep his eyes focused on his eternal future, or would he be charmed by the life at the court? A very strange request that

he later made of his brothers reveals that he stood firm in his commitment to God! His eyes were still on the Promised Land, and not on the luxury or pomp of Egypt. “God will surely visit you,” he said to his brothers, “and you shall carry up my bones from here [Gen. 50:25].” Joseph was not planning to be distracted by Egypt’s easy life. His eyes were fixed on God’s plan for the future, in another land, yet to be given by the Lord to His people!

Appeal

By returning our tithe and giving our offerings we regularly remind ourselves that our spiritual, emotional, and material resources should be invested in another Land!

Prayer

Heavenly Father, please accept our tithes and offerings as a symbol of our desire to put You first in all things here!

School Evangelism

29
FEB

Appeal

Please give generously to Education Evangelism, where students can have the privilege of studying in an Adventist School. Your support will enhance our schools and allow them to invest in evangelism, and allow many students to have a place of refuge, hope, peace and a place to learn.

Prayer

Dear Heavenly Father, thank you for allowing us to give back to you. Please bless our offering today. May it be used to evangelise Sydney and beyond, in Jesus name. Amen.

As we look at the world around us, we see turmoil, destruction, sickness, suffering, and sin. We know that this suffering will only end when the gospel reaches the ends of the earth. Our Adventist Schools in the Greater Sydney Conference, have to be so attractive that they stand out as beacons of light and centres of evangelism in their communities.

The influence of our schools should be so profound that they become agents of change in their communities. More than a century ago, Sister White received a vision where God showed her the essence of true education: “the harmonious development of physical, mental, spiritual and social faculties” of our young people.

Consider the following: a typical Adventist Church is open for about seven hours a week, an Adventist School is open 40 hours. Where our young people go to school often determines their careers, spouses, faith, and even their eternal destiny. Adventist schools are “cities of refuge” for many of our young people living in a broken world full of moral decay such as drug abuse, alcoholism, and immorality. Adventist education prepares our young people for this life and for the life to come. Our young people can be “taught” into the kingdom of God.

Local Church

A TITHE OF ZERO

Did you know that generosity and stewardship can be best started when you have nothing to give?

How can we be generous without an income? How can we be good stewards with nothing to take care of? But a tithe of zero is zero... But this is perhaps the best time to give because you can be faithful in prayer and anything that the Lord adds becomes an opportunity to give.

If you are sitting in Church this morning and thinking, “but I can’t afford to give” then consider this prayer: Lord, I want to be a faithful steward, I want to give generously to forward your work on this earth. Please give me something to give.”

See that God doesn’t provide for all your needs and above and beyond so that you can give generously to God’s mission so that many can come into a saving relationship with Jesus.

Appeal

As the Lord is always the first to give, He invites us to give back to Him only after He has first given us something. We give every time we are blessed, not in order to be blessed, but because we have been already blessed, recognizing Him as the Originator of all that we have.

Prayer

Heavenly Father, as we return tithe and give our offerings, help us to recognize You as the Giver and Maintainer of us all!

Adventist World Radio

Adventist World Radio is your mission radio, broadcasting the Advent message of hope to people around the world. Radio is one of the most inexpensive ways to reach the world, blanketing over 80% of the world's population including countries where Christianity is against the law. So AWR can make your mission dollars go further.

A specific project for AWR in 2020 - Papua New Guinea is one of the most primitive areas in the world. Access to these villages is very difficult. AWR 360 is seeking to bring the gospel to these very hard to reach places. A gift of \$40 will assist AWR to bring GodPods with pre-recorded health and Bible talks to one of these locations. These GodPods will be followed up with an evangelism series across 2,000 sites in April and May 2020.

AWR is unique in that the salaries and office expenses are funded by the General Conference. So any additional donations and funds is used directly for outreach expansion.

TRUE VALUE

A wise person once said if you want to see what a many truly values, look at his bank and credit card statements. What would your bank statements say? If someone were to look at where you spent your time and energy and money, what would they conclude were your priorities? Is it family? Holidays? Work? Paying the bills?

The Bible calls us to put God as our number one priority. Seek His Kingdom first and let God worry about the rest. Every time we pause in our worship service to shift our focus to giving we are declaring that God is the number one in our life, that all other things are secondary.

As we pause this morning to return our tithes and offerings let's take some time to reflect on our priorities and ask ourselves if God really does come first in our lives.

Appeal

God is calling us to put Him first in all aspects of life, including our relationships, and even finances. And we put God first in our finances when we set apart His tithe and our Promise (regular, percentage-based offerings), even before any other expenses are met. God's assurance is that all the other things we need "shall be added to you" (Matt. 6:33).

Prayer

Dear God, we recognise You as our heavenly Provider and Sustainer. Please teach us to put You first in every area of life and accept the tithes and offerings that we bring today, after recognising that You care for us. Amen.

Auburn Scholarships

“He will call upon Me, and I will answer him; I will be with him in trouble, I will deliver him and honour him,” Psalm 91:15.

“I tell my friends how happy I am that I chose Sydney Adventist School Auburn (SASA). It’s an environment which my children are getting both a great education and strong values,” (From a Year 1 and Year 3 parent).

The theme “Nurture for today, learning for tomorrow and character for eternity,” is exemplified by our staff at SASA. We understand that educating students is very costly in Sydney and that many families are missing out on an Adventist Education, due to financial Hardship. Thankfully the Greater Sydney Conference has introduced a scholarship program that will encourage families wishing to enrol their children into one of our Adventist schools to have that opportunity. The scholarship Program is now in its second year. We encourage you to continue to give generously to ensure the scholarship program can continue into the future to allow everyone the chance to access Adventist Education.

Change someone’s life today by giving them an opportunity to be part of our Adventist Schools Family.

LEAVE YOUR BICYCLE

Marcelo, 43, was riding his bicycle when the clouds started building up in Sao Bernardo do Campo, one of the most affluent municipalities in Brazil. What he didn't anticipate was that this would be no ordinary ride. A widely circulated video shows the moment in which a flash flood caught him during the rain, downtown, and how he bravely tried to resist the rapidly rising waters while holding onto his bicycle.

"Leave your bicycle," someone cried out to him from a balcony, as he rode close to a pole, and was struggling to stand against the strong current. Many others shouted the same suggestion, as the waters gradually increased in speed and volume, with Marcelo still grasping his bicycle. The video finally shows the moment in which Marcelo falls, still clinging to his bicycle. His body was found later that day by the firefighters and was buried on November 25, 2018. He lost far more than the bicycle he was trying to keep!

What is the "bicycle" that the Lord is asking us to leave today? Is it a relationship that is driving you far from God? A job that is preventing you from keeping the Sabbath? An unhealthy habit that is destroying your life, or spending habits that are preventing us from returning tithes and offerings?

What is Jesus calling you to surrender? To surrender is a real blessing. Ellen G. White says that "Jesus does not require of man any real sacrifice; for whatever we are asked to surrender is only that which we are better off without."—Ellen G. White, *Counsels on Stewardship*, p. 300).

Appeal

As we worship the Lord by returning our tithes and offerings now, let us pray that our hearts may be disconnected from the things of this world and connected to Him and His eternal plan for us!

Prayer

Heavenly Father! Please accept what we bring to you today as a symbol of our desire to lay everything at your feet!

A SACRIFICIAL OFFERING

When God gave instructions on how to build the tabernacle he called all those numbered as the children of Israel to give a freewill offering made up of the supplies needed for its construction. The people responded as their hearts were stirred giving jewellery, animal skins, fine fabrics, gemstones, acacia wood, spices and oil. These items were all donated as a “freewill offering to the Lord” (Exodus 35:29).

Whether it was an animal sacrifice or resources to build the temple the free will offering was to be given as God moved the Israelites hearts to give. It was not about prestige or wealth, it was not because of guilt or inducement.

Appeal

We are invited by God’s word to regularly return tithes and give offerings. But He may also invite us to occasionally give freewill offerings, according to the promptings of the Spirit. Let us ask the Lord to make us sensitive to His voice when He calls us to deny self and to sacrifice for the advancement of His kingdom.

Prayer

Lord, teach us to be wise, to trust in you as the Provider, and not to place our confidence in the things of this earth. Please, accept our offering!

I BECAME DEBT-FREE!

Debts ate up my salary. It was my fault. My salary shrank significantly when I changed jobs, but my spending habits remained the same. As a result, I sank deeper into debt. After returning the tithe, I barely had enough money to cover the bills.

I felt horrible. Before changing jobs, I had given 10 percent of my gross income as tithe; 10 percent for offerings; and 10 percent for charity. Now I was only returning tithe, and it

would take at least four years for me to become debt-free. Unwilling to wait that long, I thought about Malachi 3, where God challenges us to test Him with our tithes and offerings.

With a deep breath, I resolved to start giving 10 percent of my gross income as a missionary offering, in addition to the tithe, hoping to find some freelance work so I could recuperate the offering money. But even though no extra work showed up, ten months after I started giving the offerings, I was debt-free! It's hard to explain what happened. This is God's math, as He never gave extra money; instead, He made my life cheaper.

Shortly after I began to give offerings, I had to buy an airline ticket to fly to visit with my ill father. The round-trip ticket, purchased at the last minute, cost only \$110, a considerable discount from the usual \$250. After that, a friend volunteered to drive me to the airport, sparing me the cost of an Uber ride. Then some friends invited me to stay in their spare bedroom, rent-free. The list could go on and on.

STARVING TO DEATH

Starving for many days, Pavel prayed, “Dear Lord, please forgive me for using your tithes in a time of need. But if You help me to repay it, I promise never again to use your resources to benefit myself, even if I die.”

Living as a married student in the communist-era Romania, and without any income, Pavel decided some time before to resort to the 40 lei (Romanian currency) tithe he had set apart, in order to purchase food for his family. He and Dana, his wife, were starving as the cans he was collecting and selling were barely able to provide for his little son’s milk. He took the money planning to return what he “borrowed” from the Lord as soon as possible, expecting that God would “understand.” But then his father died, and things grew even worse because the stipend he had been receiving from his father stopped coming!

Arriving at home from the university that day, Pavel found a letter containing 50 lei. He resisted the temptation to help himself to the money; instead, he immediately mailed to the church treasurer the 40 lei he owed to God, plus the 5 lei due as tithe for this new gift. With the remaining 5 lei, he and Dana were able to buy only some bread and yogurt. “How are you doing, Pavel?” a 92-year-old man who was a fellow church member asked him a few days later. “You don’t look OK. What’s happening? Why don’t you take the bus instead of walking?” suggested the man. Pavel was unable to escape his questions.

The man then said, “Well, I’m a retired lawyer and have some funds. I was praying to God asking whom I could help. Now I have found him. From now on, until you finish your university education, I will send you 500 lei every month to take care of your needs.” And then he added, “But don’t forget to share with others when you are blessed.”

Pavel Goia is now the editor of Ministry Magazine and works at the General Conference office in Silver Spring, Maryland, USA.

Appeal

Let us take advantage of any crisis to strengthen our trust in the Lord, learning about His mighty power to save!

Dear Lord, help us to trust that You are the Provider. Please, help us to exercise that trust by returning what belongs to You with a grateful heart!

EMPTY HANDED

Some books of the Old Testament contain pages and pages of laws around offerings and giving as well as the how, why and who of bringing sacrifices to the temple. One of the principles that seems to transcend is found in Deuteronomy 16:16-17 (NIV) “No one should appear before the Lord empty-handed: Each of you must bring a gift in proportion to the way the Lord your God has blessed you.”

At the end of the week it is easy to approach the house of God feeling very empty handed. We are often emotional drained, physically exhausted and mentally fatigued. But not that it says our gifts should be in proportion to the way that God has blessed. Let's take a moment to pause and reflect on the blessings of God. It may be an answer to prayer, a miraculous encounter or the simple reality that we have food on the table and a roof over our heads. We have so many things to be thankful for and so many reasons to give generously in response to what God has given and done for us. As we pause this morning let's consider the wondrous generosity and steadfast faithfulness of God as we bring our tithes and offerings before Him this morning.

MOTIVATIONS

Why do we give? Is it because something about the cause stirs within our heart and compels us to respond? Or perhaps it's because it's just something that we've always done? Maybe you give because it makes you feel good? Or you return tithes because it just gets taken out of your pay before you even see it?

Ellen White in talking about what compels us to give says. "it is unsafe [for us] to be controlled by feelings or impulse" when we give our gifts, because our natural inclination for selfishness is stronger than love, and so, as a rule, "evil gains the victory." She also says that "if we are controlled by impulse or mere human sympathy," we may stop giving "if our efforts... are repaid with ingratitude" or if "our gifts are abused or squandered." That is why "Christians should act from a fixed principle, following the Saviours example of self-denial and self-sacrifice (E. G. White, Counsels on Stewardship, p. 25)."

A vow, a promise, or a 'fixed principle' of giving, humbly taken by seeking the will of God and asking Him how and what we should give will allow the Holy Spirit to replace our selfish hearts working a miracle within, allowing God to do good works in us for his pleasure (Phil. 2:13)

Seek Gods will for your giving this morning, ask him to replace your selfish heart with a generous heart, ask him to reveal how much you should consistently give.

Appeal

"Make vows to the Lord your God, and pay them; let all who are around Him bring presents to Him who ought to be feared (Ps. 76:11)."

Prayer

Please, Lord, accept the vows that we make before you today!

PRINCIPLE OF PURPOSE

When it comes to returning our tithe the Bible is clear that we are to give 10%, but what about our offerings? What principles can the Bible teach us about how much we should give for our offerings?

The Principle of Purpose

In 2 Corinthians 9:7 Paul teaches that “Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.” Here Paul establishes the principle of purpose around what you give, deciding in our hearts what is appropriate and asking the Spirit to lead our decision making.

Great leaps and bounds in the spreading of the Gospel could be made if each one of us were to search our heart and ask God to help us decide in advance what to give, not just popping whatever we can find into the offering bag. Imagine what our Church could achieve by God’s Spirit if each of us gave not out of reluctance or compulsion but from the heart, not just our offerings but our time, our energy, our commitment.

Appeal

God also calls us to joy in giving, let’s consider and purpose in our heart today to give without reluctance or compulsion.

Prayer

Lord, please, accept the offering of our heart today! Amen!

"May God Himself, the God of Peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ," 1 Thessalonians 5:23.

"I love the individual care and attention our child receives, at Macarthur Adventist College. The school has such a supportive and encouraging science program and our child is thriving there," (From a Year 8 parent).

The scholarship Program is now in its second year. We encourage you to continue to give generously to ensure the scholarship program can continue to expand. In an everchanging society, one thing that appeals to parents from all backgrounds is a set of values that instils character and equips students to be prepared for the future. Due to financial hardship many families are missing out on an Adventist Education. We understand that educating students is very costly in Sydney. The scholarship gives families the opportunity to apply for funding, so they can enrol their children into one of our Adventist schools.

PRINCIPLE OF PROPORTION

When giving offerings the Bible talks about the principle of purpose, that we should purpose and decide in our heart what to give but the Bible also talks about a principle of proportion.

The Principle of Proportion

Deuteronomy 16:17 talks about giving 'according to the blessing' or according to our prosperity, which implies a proportional attitude toward giving. What capacity could be released for Gods kingdom if we gave our offerings proportionally to our blessing. In a percentage based system of offerings those who earn more give more and those who earn less give less; and those who earn nothing, give nothing and are considered truly faithful!

Ellen G. White says, "It was by the Lord Jesus Christ Himself, who gave His life for the world, that this plan for systematic giving was devised." She also says that if this plan is adopted, "the cause ... [of God] would no longer be dependent on the **uncertain gifts of impulse and vary according to the changing feelings of men**" (E. G. White, Counsels on Stewardship, pp. 66, 199, 200).

Consider this morning taking the time to prayerfully vow a percentage of your income for regular offerings in proportion to the way God has blessed you.

Appeal

God help us to be faithful
in all things.

Prayer

Take these tithes and offerings,
an act of worship in response
to how you have blessed each
and every one of use, Amen.

ALL YOUR HEART

Although we can assume that all who marry intend to remain in the relationship, the harsh reality is that almost half of the couples in the western world will lose their love and end up in divorce. Perhaps even more sobering is the statistics that reveal a similar proportion of Adventists will lose their love toward God and for various reasons drift away from the Church. The question is, how do we prevent this drift?

To “love the Lord your God with all your heart,” soul, strength, and mind was Christ’s answer (Luke 10:27). In the same way as an emotional connection between two persons will grow according to the time they

spend together in a relationship of trust, an emotional connection with God will be developed as a result of the time that is daily spent in relationship with Him.

But Jesus, established still another important principle for developing that relationships with God: “Where your treasure is, there your heart will be also” (Matt. 6:21), He said. If what I’ve blessed you with are used purely for earthly things then that’s where your heart will be focused. But if this treasure is invested in heaven, by helping the poor and supporting God’s cause, by tithing and giving offerings, then that’s where our heart will be also.

A link between *giving* and *emotional attachment* is suggested by a study done with 1,054,367 members who left the church between 2015-2017 in one division. About 90 percent of them have no record of returning tithes or giving offerings at least three years before drifting away. This connection between giving to God’s cause and emotional attachment to Him is also emphasised by Ellen G. White. She says that “through every investment made [in God’s treasury], they [givers] will become more wedded to the cause of present truth” (*Counsels on Stewardship*, p. 73).

WHEN DOCTORS HURT (by Sylva Keshishian)

Every morning little Haroun* cheerfully waited for Dr. Bland, the American missionary surgeon, to come “hurt” him. He was 10 years old and had suffered a nasty fracture of his left leg. Dr. Bland had removed a large portion of his tibia, but he still had an infection. Each morning, the doctor and his team removed the dressings, squeezed out pus, and repacked the wound with bleach-soaked gauze. Haroun was brave; as soon as the procedure was over, his bright smile returned. Every time Dr. Bland and his medical team at the Bere Adventist Hospital in Chad visited Haroun, they would speak French with him and teach him intricate handshakes. Since Haroun was alone at the hospital, this was the highlight of his day. The rest of the time he played with other young patients or watched the “Jesus movie.”

In medicine sometimes, doctors have to cause pain to achieve healing. Patients like this young boy must trust that the physician has their best interest in mind and that the outcome will be an improvement.

In Matthew 19:13, children approach Jesus to spend time in His presence, trusting Him to bless them. Do you trust God to take care of you? Do you trust Him to take your offerings and bless those who are hurting in the world?

Appeal

Part of your regular offerings and gifts today will automatically be sent to the World Mission fund, supporting the ministry of more than 400 missionary families. THE HEART OF GIVING

Does the heart have a role to play in the giving of our tithes and offerings?

The Bible teaches that unfaithfulness to God in tithes and offerings brings a curse (Mal. 3:8-10), it is also clear that He cannot bless those who give them while disregarding other known aspects of His will. “If I regard iniquity in my heart [any iniquity], the Lord will not hear” (Ps. 66:18), said David. Solomon also says that the “one who turns away his ear

from hearing the law [in all its points], even his prayer is an abomination” (Prov. 28:9). God is not moved by religious exercises, including returning tithe and giving offerings, while the giver harbours a haughty heart or is stubbornly breaking any other aspect of His will (Isa. 1:11-15). But because the Bible says that “all have sinned” (Rom. 3:23) and deserve death (Rom. 6:23), how can a sinner have their offerings and tithes accepted by God?

The answer is that Christ died to pay for our sins (Rom. 6:23); and to those who confess their sins, “He is faithful and just to forgive us our sins and cleanse us from all unrighteousness” (1 John 1:9). Cleansing is a work of the Holy Spirit that changes the heart (Eze. 36:26), and should precede any act of worship. It is as important as forgiveness.

Cleansing is so critical that in the book of Malachi it is said that it is only after that experience that “the offering of Judah and Jerusalem will be pleasant to the Lord” (Mal. 3:2-4). God accepts tithes and offerings only from those who accept Jesus’ death on their behalf, confess their sins, and keep asking for the Holy Spirit to change their hearts.

Timor-Leste

- ADRA is already working in Timor-Leste with a focus on providing clean drinking water and sanitation.
- In Timor-Leste (population 1 266 000) we have a membership, 536 but until recently only 1 church. We have church buildings ready to construct.
- In a similar way to how we have worked in Mongolia we are working with churches in Australia to put together teams to support the work already happening. The teams will help with building projects, serve in the community and facilitate evangelism.
- At the moment we are particularly focusing on the Timor Adventist International School in Dili where we are encouraging churches to raise funds for classrooms.
- Other projects will include building centres of influence in Same, Atauro Island, Liquica and Ossu.
- The AUC is also sponsoring young people in Timor to become pastors and teachers. We currently only have one ordained Adventist pastor in Timor-Leste.
- Our Mission Partnership offering will go toward supporting community building projects in Timor-Leste and funding the development of pastors and teachers who can come back and serve in their communities. Your offering today really will make a difference for our neighbours in Timor-Leste.

RITUAL

Rituals, such as weddings, graduations, or funerals, are ceremonies that help us to understand and assimilate significant times or changes in life. Dedications of children, baptism, family worship, and the Sabbath public worship, likewise, are important practices for those wanting to experience spiritual growth.

The Lord determined that the Sabbath should become a weekly collective ritual. He desires for us to be regularly together to worship Him every Sabbath. Stressing the importance of public worship, a coming together in community, in the last days, we are warned not to forsake “the assembling of ourselves together, as is the manner of some” (Heb. 10:25).

And what do we do while we worship together? Essentially, we do four things: (1) we bring our tithes and offerings, thanking Him as the Provider; (2) we pray, talking to Him; (3) we study His word, hearing from Him; and (4) we sing, praising Him. Offering was the first element established by God for public worship immediately after the Fall, it points to Christ not only as the Provider but also as God’s Offering for the world.

Every time we give we acknowledge the Lord as our Creator, Provider, and Redeemer. Instead of considering them merely as a formality, or even a “contribution” to the church projects and ministries, tithes and offerings are an act of worship toward God, strengthening our love and developing trust in Him.

A BIRTH OFFERING

Herbert Boger was pastoring a district in Canoas, Brazil, when Beth, his wife, became pregnant. During her third month of pregnancy, the couple was visited by a pastor of their conference, who read to them some texts from the book *Child Guidance*, by Ellen G. White. Among other things, he suggested that they bring a Thank Offering when they dedicate the child months later. And so they prepared an envelope with an offering for the occasion.

But life became very challenging! Besides suffering from uncommonly severe anaemia during her seventh month of pregnancy, the upper part of Beth's uterine bag broke, and amniotic fluid poured out. She rushed to the hospital and was told to get total rest until the baby's birth. But then she got an infection, which continued to worsen to the point where the physician told her that if he wouldn't be aware of the peculiarity of her case, the exams, taken alone, would suggest terminal leukaemia.

Beth's situation was very risky, and with sadness she and Herbert considered what to do with the offering in the envelope if the baby did not survive. The couple spent much time in prayer. All the pastors attending a ministerial council at the time also joined them in prayer, stopping their meeting to pray together for them, each a full hour. Later that same day Beth had additional tests, which showed that her infection was no longer growing. So the doctors scheduled and performed a Caesarean Section.

Herbert and Beth know that the birth of their son, William, on March 12, 2005, was a miracle. Mother and baby stayed in the hospital for two weeks until Beth's infection cleared up. While there, the same pastor visited Beth again and assured her that an angel of God had been caring for William since his birth. After Beth was discharged and went home, she and Herbert added to the envelope five times more than the original amount, concluding that no sum, however large, could represent their gratitude to the Lord!

In front of all the church members the couple not only dedicated William to God, but with tears in their eyes they placed the envelope into a basket held by a deacon.

(Herbert Boger is now the Personal Ministries director for the South America Division.)

Appeal

Let's thank God now, and recognize His wonderful workings with our offerings!

Please, God, accept what we place in Your hands today!

GOD IS LOVE

God is love, and christianity is all about loving relationships, not just with God but others as well. To “have love” for one another is so important that Jesus Himself described it as being a true indicator of discipleship (John 13:35).

God also set apart a day, specifically for relationship. The Sabbath, a time for us to regularly connect with Him and with our brothers and sisters. But it sometimes requires sacrifice. In places such as the Amazon region, for example, where people may have to travel long distances to church, some families start their journey on Friday evening, returning home on Sunday. And they do that not because they have time to waste, but because they see it as a spiritual exercise that strengthens their love for God and for their neighbours.

They see fellowship with other Christians and worshiping God together on Sabbath as essential for spiritual growth.

In the apostolic era, there were already some who were quite lax on gathering together regularly with fellow believers. But God warned them that the act of gathering with others would increase in importance as the day of His coming approaches (Heb. 10:25). In Leviticus 23:3, the Lord also stresses the importance of strengthening connections with one another on Sabbath: “Six days shall work be done, but the seventh day is a Sabbath of solemn rest, a holy convocation”. The word “convocation” (Heb. Miqra), means meetings, assemblies, gatherings; and the Lord considers them as being holy and an integral part of Sabbath keeping.

In the Adventist Church, our connections with one another have an even broader dimension. By returning tithes and giving Promise to the church, the outpost of the storehouse, we strengthen the connections with our brothers and sisters from around the world that are doing the same. We exercise our mutual trust, and we testify that we are connected, that we love and care for each other, and that we have a common goal—to work for God not only as individuals but also as a well-organised army, speeding the final preaching of the gospel and Jesus’ second coming. Working together, we do more, we can go farther and faster because we are better together.

WHAT IS THE CHURCH?

What is the Church? If you were to ask the average person on the street, “What is the church?” they might reply, “It’s a building where Christians meet for worship services.” But we as Christians know that the church is much more than a building – it is a gathering of people. 1 Peter 2:5 says that we are living stones being built into a spiritual building. The Holy Spirit lives inside us. We are literally God’s temple.

There are different types of buildings, and there are different types of building materials. There are foundation stones, and there are windows, and shingles, and many other parts, and in their place they each have a unique function and purpose. Shingles don’t make good windows, and windows don’t make good foundations, but in fulfilling their role they are indispensable. Paul related this in 1 Corinthians 12, using the metaphor of the body, each part with a different, but important role.

What would this building be without all of its valuable parts, and what if you were missing body parts? You would be impaired, less able to function. The same with the Church, which is made up of people. Without everyone doing their part, we are not able to function as we could. And just as an arm or a leg would get weak and atrophy without exercise, so the individual Christian will grow weak without using their gifts.

Appeal

Today, we have the opportunity to contribute to the body of the Church. Each ministry, every volunteer plays an important role in building up our Church.

Unusual Opportunities

ONE SHOT (adapted from Sylva Keshishian – Adventist Mission)

If you had one shot to make a sudden, big difference in someone's life, would you take it . . . or let it slip away? Unusual opportunities don't happen every day; but when they do, they require a rapid response from God's church. The Unusual Opportunities Offering is a special funding pool that enables the General Conference to respond rapidly to urgent projects as soon as they arise.

Let's suppose, for instance, that there is an unexpected door opened in a country that before was completely closed to the Adventist message. This fund will allow the Church to move quickly as the opportunity appears and be established in this country on a more solid basis.

Such a situation occurred after 1991, when the Iron Curtain fell, and the former Soviet Union and Warsaw Pact countries were suddenly opened to the gospel. Fortunately, the church was able to take advantage of the opportunity, organizing more than 250 evangelistic series in Russia, one of them, conducted in 1992 by Mark Finley, inside the Kremlin—the very center of a power that had declared religion as dead and the atheism as the state religion! The following year, the Olympic Stadium was rented for another five-week series, also with Elder Finley. As a result of these endeavours, the number of Adventist members in the former Soviet Union jumped from 35,000 to 85,000 in just three years after the fall of the Berlin Wall! ("Super evangelism in Moscow". Ministry Magazine, Nov. 1993, page 15).

Part of your regular offerings and gifts today will automatically be sent to the Unusual Opportunities Offering fund to support critical necessities as they appear. You may also give your freewill offerings directly to this fund, beyond and above your Promise (regular and systematic offerings) by marking Unusual Opportunities Offering on your envelope, or by visiting AdventistMission.org/donate, and selecting "GC Unusual Opportunity Fund."

A RADICAL CHOICE

Becoming a Christian means that I now (1) accept the fact that I am a sinner, (2) accept Christ's death in my place for the forgiveness of my sins, (3) want to receive a new heart, and (4) accept the lordship of Christ in my life. It is a radical choice that will affect all areas of my life!

My own criteria or perceptions are no longer the parameter for making decisions, because I know that my "heart is deceitful above all things, and desperately wicked" (Jer. 17:9). Instead, I now accept the lordship of Jesus, submitting my life to His word. One cannot have Jesus while rejecting His Word, because He and His Word are inseparable!

This submission is what Solomon meant in his appeal: "Trust in the Lord with all our heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths. Do not be wise in your own eyes; fear the Lord and depart from evil. It will be health to your flesh and strength to your bones" (Prov. 3:5-8).

Solomon then uses the financial life to suggest a way through which we may exercise our submission to Jesus and to His word: "Honour the Lord with your possessions, and with the first fruits of all your increase; so your barns will be filled with plenty, and your vats will overflow with new wine" (Prov. 3:9, 10). There are promised blessings for returning tithes and giving offerings regularly, as first-fruits of every income. To honour the Lord with first-fruits means that we give our best to God first before meeting any other expenses. On the other hand, one of the first signs of our unwillingness to submit to Jesus and to His word is the disinclination to return tithes and to give offerings of all our increase, before any other expense. Limited submission generates limited blessings, while unlimited submission brings overflowing blessings.

POPSICLE IN THE FIRE

10
OCT

Appeal

Whether we live in poverty or affluence, do we need to experience some loss before being able to sympathise with those who are suffering? Or do we instead allow the Holy Spirit to change our heart, giving us empathy and true love? Are we ready to imitate Christ, sacrificing all, even our lives, for the redemption and well-being of others?

Of course, tithes and offerings do not represent all the popsicles in our box! But they are a token of our desire to help others, feeding with spiritual food those who have been ravaged by the fire of sin! As we partner with Him in this holy work, we may be sure that He will provide for us (Prov. 3:9, 10). There is nothing to fear!

Prayer

Dear Lord, make us instruments of Your grace and love, using what You gave us to bring spiritual nourishment to those who need to know You through us!

The evening of Monday, December 17, 2018 saw the second worst fire in the history of Manaus, a city of 2.1 million located in the heart of the northern Brazilian Amazon rain forest. About 600 houses in a very poor neighbourhood were destroyed, leaving 2,500 people without shelter or personal belongings.

On the evening of the next day, local Adventist churches and ADRA had already served 300 meals and given 500 basic food baskets, clothes, bedding, shoes, and other necessities to those who had lost almost everything. While many residents stood in line to receive help from the church or government for their basic needs, one Haitian popsicle seller thrilled the relief teams. Even though most of Haitians living in Brazil struggle to survive as refugees after an earthquake ravaged their country in 2010, this man decided to sacrifice. Walking up the line of the survivors, he gave away all the popsicles remaining in his box, which were his only source of income—a small act with a huge impact. This man was moved to help others, giving all that God had placed in his hand.

Your sponsorship will enhance the scholarship program throughout the Greater Sydney Conference.

Prayer

Almighty God stir our faith to move mountains, thank you that as the students of MVAC reach for what may seem impossible, remind them that all things are possible through you. Amen.

LEARNING BY EXPERIENCE

How did you first learn about tithes and offerings? Perhaps it was through Sabbath school or you served as a junior deacon and were able to assist taking up the collection in the worship service? Maybe you saw your parents generosity and modelled your life in the same way?

Ellen G. White suggests that parents and teachers should make the handling of money something practical very early in children's lives; children should learn through practice how to rightly use money.

Modelling good stewardship, if “rightly directed will encourage habits of benevolence” and “will aid the youth in learning to give, not from the mere impulse of the moment, as their feelings are stirred, but regularly, and systematically” as God is giving to them.

Actually, the returning of tithe and the giving of offerings is an important exercise that connects children and young people to God every time they receive something from Him. God is then remembered by them as the Source of every blessing. Are we modelling to our children how to handle money in a practical way? Are we modelling to them the blessing of a simple life in order to save and then provide for the needy? Are they being educated to put God first, by returning His tithe and their offering, before any other expense may be met? Children are a God-given treasure loaned to parents in trust. The Lord requires parents to teach them how to trust in Him and connect with Him, including in their financial life.

Appeal

“Trust in the Lord with all your heart,” says Solomon, “and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths” (Prov. 3:5, 6).

Prayer

Lord, help us to trust in You, as the Provider and Maintainer of life, and teach our children to experience it themselves as well! Amen.

RISKING WITH GOD

More than one hundred years ago a group of German immigrants settled in Pozuzo, an isolated place in the Peruvian jungle. As there was no longer land available in Pozuzo, Juan and Teresa Heidinger decided to relocate after their marriage to the region of Puerto Inca, close to the Pachitea river. It was also a remote place, accessible only by the river, but with extensive land available. Far from civilisation, they would need to be self-sufficient and provide for almost all their own needs.

After Teresa developed serious kidney problems, the only available medical facility was the Maranatha Clinic, accessible only by boat from their farm. The American owners, Monroe and Patricia Duerksen, after working for a while in Bolivia as regular Adventist missionaries, decided to leave the USA again, as self-supported missionaries, opening a clinic in a place without any Adventist presence. In faith, they volunteered to sacrifice and to risk all with God, believing that He would provide for all their needs.

In addition to the treatment in the clinic, Teresa also received the book “The Great Controversy”, followed by a warm invitation to join the Duerksens for Sabbath services. Impacted by the book and the kindness of the missionaries, Tereza was baptised, followed by Juan, his mother, and finally the four children, thanks to the missionaries’ self-denying initiative.

Appeal

Self-denial and sacrifice, are ever the fuel that ignites precious fruits for God! In what other way is God calling you to risk something for Him today? Do you believe that if you risk with Him, He will also provide for all your needs? Tithes and offerings are a practical witness of that belief, strengthening our trust in our Divine Provider!

Prayer

Dear Lord! As we worship you, help us to trust in you more and more!

A WEEKLY APPOINTMENT

07
NOV

Appeal

May we return our tithes and offerings, presenting them as reminders of what the Lord had done for us this week! May we rejoice and worship Him!

Prayer

Dear God, Creator of the universe, please accept the offering of our heart! Take it and cleanse it, making it Yours.

With the rise and prevalence of technology comes the rise of the virtual church! Through things like Facebook, live-streaming channels and YouTube you're able to experience a worship service without ever leaving your couch. As generations change and churches look for ways to stay relevant and connect with the increasing online village the rise in the virtual church goer is on the increase.

But there is no virtual experience that can replace regular worship, face to face in Church. The Church isn't just a building but a community of believers that can encourage us in our faith. The church is also the outpost of the storehouse, the place where we are commanded to bring tithes and offerings. Putting convenience last and God first, we connect all family members to Him there by (1) praying, (2) singing, (3) studying His Word, and (4) worshiping Him with tithes and offerings.

PREM'S SACRIFICE (by Sylva Keshishian)

After Prem completed his medical training, he chose to live on a small stipend in a remote town in India as a Global Mission pioneer. Before Prem arrived there were no Adventists in the region. The nearest hospital is several hours away, so pioneer Prem uses the talents God has given him to serve the town's sick. He transformed his living room into a clinic, where he lovingly teaches the locals how to adopt a wholistic lifestyle; he also treats their illnesses. He then prays for the heavenly Physician to heal and bless them.

Through Prem's compassionate words and actions, many of his former patients now come each Sabbath to the local church building. There they eagerly wait for Prem to finish treating patients in his clinic so he can teach them more about Jesus.

"Christ's method alone will give true success in reaching the people. The Saviour mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, 'Follow Me.'"—Ellen G. White, *The Ministry of Healing*, p. 143.

Appeal

Global Mission Pioneers sacrifice much to take Jesus to the unreached cities, towns, and villages around the world and to put His method of outreach into action. The question is, what are you willing to sacrifice to help support them?

The Annual Sacrifice Offering, collected in some countries on November 14, is a good time to make a special gift to support the work of Global Mission Pioneers.

Part of your Promise (regular and systematic offering) already supports the Global Mission Pioneers, but if in addition you would like to help share Jesus with unreached people, write "Annual Sacrifice Offering" on your tithe envelope or visit global-mission.org/giving and select "Global Mission's Annual Sacrifice Offering."

Prayer

Dear Lord, help us to sacrifice for mission, as You sacrificed all in our behalf!

WE ARE BETTER TOGETHER

21
NOV

Appeal

God invites you to join your brothers and sisters from all the world, to worship Him with tithes and offerings, funding also His work around the globe.

Prayer

Take what belongs to You, dear God, for we worship you today!

It was at a Church planting conference in the US that the beauty of the Adventist administrative system was really made clear. One of the workshops talked about funding a Church Plant and the many challenges that arise. The workshop host upheld that Adventist Church as a unique system that had great capacity when it came to the distribution of funds for mission. They concluded that with our administrative structure we had the potential and power, by the Holy Spirit and faithful membership to have exponential growth.

The system adopted by the Adventist Church was established upon biblical principles, fostering unity and equity. No one individual or interest group is owner or controls all the funds. Local church representatives elect leaders for limited terms, and leaders are paid on the basis of a common salary scale. The church is thriving in 212 out of the 235 countries and areas recognized by the UN, because instead of each one doing what is right in their own eyes, 21 million members contribute to the same “pot” with tithes and offerings. United, they are stronger, are able to do more, and go farther! We are better together!

THE POWER GOD HAS

In an 1885 sermon delivered to the Adventist Church in Denmark, Ellen White described how we are called to be a peculiar people in the world we live. What does it mean to peculiar? More often than not, our practicing Christianity can make us appear strange or crazy to non-believers, nothing more so than the giving of tithe! To the secular world the idea of giving 10% can seem ridiculous!

We are called to be a peculiar people. To be crazy for the world means to be wise for God and to inherit eternal life! And this is the power God has! The world does not understand what we do, but we do it by faith in His Word! To be faithful to our God; to keep the Sabbath; to return tithe and give offerings—all behaviours that are contrary to our natural impulses and tendencies—are evidences that our eyes are fixed far beyond earthly realities!

Appeal

Let's be crazy for God today, as we gratefully worship Him by returning our tithes and giving offerings!

Prayer

Dear Father, please make us crazy for the world and wise for You! Give us the privilege of being partakers in building Your kingdom and saving others!

BIG TREES REPLACED BY SMALL TREES

“We’ve already told you many times to stop sharing Bibles and building churches,” said the officer to Pavel’s father (also named Pavel). During the Romanian communist era, those who were against the government or who were sharing Bibles were often arrested and beaten badly. “So many of my friends were beaten very badly,” says the son, Pavel Goya, Ministry magazine editor, “but it didn’t stop anything.” Nevertheless, for some well-known people, additional consequences could be even worse.

One comedian, for instance, after speaking on TV for many years, started to subtly make fun of the dictator. Not wanting to make the comedian a martyr, the government officials decided to kill him in such a way that they wouldn’t appear guilty of his death. So, they radiated him without his knowledge and sent him home to die.

That time, instead of beating Pavel (the father), the officers just warned him again and, strangely, let him alone in a room during the whole night. In the morning he was allowed to go home, apparently unharmed. Goya smiled and asked, “You just left me alone in a room?” But they shook their heads and said, “You don’t get it, do you?”

But after a few days Goya experienced extreme diarrhoea, started to lose his hair, and then began losing his nails. The doctor told him that he had leukaemia caused by high radiation. “If I live, I live for Jesus”, said Goya before resting in the Lord. “If I die, I die for Jesus. Sometimes, it is good to take out a big tree so that small trees may grow. Please, God, give fire to my children.” He longed for his children to love and witness for the Lord, and God granted his request!

05
DEC

Appeal

How much are our children ready to sacrifice for Christ? If they are not willing to sacrifice something in order to keep the Sabbath, to retain moral purity, to live a healthful lifestyle, or to return tithes and Promise, will they in the future be willing to sacrifice even their lives for Jesus? It is today that we must teach them by instruction and example how to sacrifice for Christ.

Prayer

While we worship You with tithes and Promise, help us to learn how to sacrifice for You, and how to teach the next generation to do the same! Amen.

WINDOWS AND DOORS

Windows and doors, a house would just be a dark, cold, isolating box without them. They allow light, life and people into our homes. Without doors we are trapped, without windows we are isolated. God uses both to lead and guide us in life. When a door seems closed, and we feel trapped, God often has a window in mind that he can use to bless us. Bring the full tithe into the storehouse, that there may be food in my house. And thereby put me to the test, says the Lord of hosts, if I will not open the windows of heaven for you and pour down for you a blessing until there is no more need.

Appeal

God has thousands of windows He can open when we only see closed doors! Let's exercise trust in His supernatural provision as we worship Him with tithes and offerings—a small part of the blessings already received!

Prayer

Dear Lord, please accept what we bring today, from what You have kindly provided.

Fund for the Needy

19
DEC

Appeal

We want to thank you sincerely for supporting Fund for Needy as it is only through your generosity that many people can have a roof over their head.

Prayer

Lord, we think of those who are in need in our community, make us aware of the need and help us to faithfully give and support those who are struggling to support themselves. Amen.

Matthew 25:40 "The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'"

God calls us to treat those in need as though they were Jesus Himself. Fund for Needy is a tax-deductible charity of the Greater Sydney Conference. Its aim is to help desperately poor people recover from a crisis - to help them back on their feet so they can be independent again.

Typically funds are spent on the accommodation of abused single mothers and their children - to keep them from sleeping rough.

YEAR END

Have you ever been in a position where you might be anxious about where your next meal may come from? The reality is that living in a country like Australia means that you probably haven't had to worry about this particular issue. When Jesus declared, "Do not be anxious, saying 'What shall we eat?'" We may very well read this words having never had to miss a meal. But what is the overarching principle here. Trusting God regardless of our circumstances, and we do that by seeking God above all else and before all else, then the rest will fall into place. TO really trust God like this is a lot harder than wondering where our next meal might come from. As we close of the year and enter a new one we have many opportunities to trust God more. Let's make today the beginning of something truly difficult, giving everything over to God.

Appeal

Let us plan to start the new year by putting God first in all aspects of our life, including our financial life. Let us honour Him with our tithes and offerings, and to do it before any other expense are met!

Prayer

Heavenly Father, please accept our tithes and offerings as our worship! Please help us to put You first in every aspect of our life. Amen!
